STATINTEL

Dear [REDACTED]

STATINTL This is a note to express my appreciation for the very comprehensive and useful briefing which [REDACTED] and [REDACTED] of your office gave to me and my staff on November 23. The briefing covered in depth a subject knowledge of which is of continuing importance to a meaningful evaluation of the total U. S. space effort.

I should appreciate your making available to me and my staff the results of other studies of a similar nature as they are completed.

Sincerely yours,

E. C. Welsh
